

SUSTAINABILITY

SHOWCASE

UK's Healthy Kentucky Research Building (HKRB)

October 23rd, 5:30PM

The event will highlight several aspects of our collective efforts to advance sustainability, including:

- A juried student poster competition hosted in partnership with the Office of Undergraduate Research
- Presentations from the six Sustainability Challenge Grant teams that received funding in FY2024
- The announcement of the FY2025 Sustainability Challenge Grant recipients
- Displays from UK's sustainability-focused student organizations and operational units/initiatives
- Brief comments on the "State of Sustainability" on campus; and
- UK's Annual Sustainability Awards
