

*The Covid-19 pandemic has had a tremendous impact on our campus and community. The people of UK Facilities Management remain the “boots on the ground” for UK, providing the essential services needed to keep our campus safe, secure, and positioned to respond to the evolving crisis. The strength each of you demonstrate daily is inspiring and represents such courage and compassion. We are in this together and we will get through it together. **Thank you for everything you do.** – Mary Vosevich, Vice President for Facilities Management*

OUR PEOPLE.

OUR STORIES.

We are excited to announce that today marks the start of our United Way of the Bluegrass Employee Giving Campaign! We are also excited to continue **Facilities Management’s** proud tradition of giving back to the community through United Way of the Bluegrass. The campaign runs through October 16.

Last year, the three FM campaigns (**Capital Projects Management, Campus Facilities, and Medical Center Facilities**) raised a combined total **\$4,585.84**. This year, we are striving to reach a goal of **\$10,922** to make an even greater positive impact on our community.

United Way of the Bluegrass fights for the basic needs, education and financial stability of every person in Central Kentucky. Please join me in supporting this work. Thank you for caring about the people who need our support the most.

From **Oct. 5th -16th** there will be multiple opportunities to learn what United Way of the Bluegrass is doing to help the community and how you can make an impact. Each of the three FM Areas coordinating their own campaigns will be sharing information specific to those areas. We’ll also use the Facilities Management Daily Newsletter to share additional information about the campaign and the collective impact we have on our community when we each do what we can.

Like everything else in our community right now, our campaigns will look different this year due to the pandemic. While our chili cookoffs, bag toss tournaments and donut sales are on hold this year, the community needs met by our generosity are greater than ever. The easiest way to join in this effort is to donate through payroll deduction: simply follow these links [myUK > Employee Self Service> Giving link](#). Paper donation forms will be distributed to those who do not have access to a computer or who prefer to donate through cash or check.

Thank you and let’s have a great campaign!

PROTECT. RESPECT. DO YOUR PART.
