

*The Covid-19 pandemic has had a tremendous impact on our campus and community. The people of UK Facilities Management remain the “boots on the ground” for UK, providing the essential services needed to keep our campus safe, secure, and positioned to respond to the evolving crisis. The strength each of you demonstrate daily is inspiring and represents such courage and compassion. We are in this together and we will get through it together. **Thank you for everything you do.** – Mary Vosevich, Vice President for Facilities Management*

## OUR PEOPLE. ————— OUR STORIES.

**Facilities Management’s Utilities and Energy Management** teams were busy last week cleaning and performing preventative maintenance on our heating and cooling plants. At left, **Joe Flannery** cleans a flange at the Singletary Center. Second from left, **Henry Huffines** clears a condenser dirtleg. Second from right, **Cory Chenault** removes the head on Chiller #5. At right, **Steve Monroe** readies a steam valve for inspection. GREAT WORK UEM.

Unsure if it's  
recyclable?

Put it in the 'IDK' Bin

I DON'T  
KNOW...

UK Recycling has worked very hard in recent years to make recycling simpler and more convenient for the campus. This included major changes to continue recycling paper products when the city of Lexington discontinued that service. However, for a variety of reasons, recycling can still be confusing. To address this, **UK Recycling** created the '**IDK**' (*I don't know*) **virtual bin**. If you have questions about proper disposal for a particular item, follow the four simple steps at right.

1. TAKE A PHOTO OF  
ITEM YOU WANT  
TO RECYCLE.

2. SUBMIT PHOTO AND  
INFORMATION TO  
VIRTUAL IDK BIN.

3. UK RECYCLING WILL  
RESPOND WITH  
ANSWERS TO YOUR  
RECYCLING QUESTIONS

4. WITH THE NEW  
INFORMATION...  
RECYCLE!

## FLU SHOTS ARE AVAILABLE FOR STAFF & STUDENTS

Flu shots are mandatory for students this year and students are required to receive the vaccinations by November 1. The shots are also available for free to all campus employees at several convenient locations across campus including UK Retail Pharmacies. If you have a UK Health Insurance Plan you can receive the shot at any retail pharmacy that offers flu shots. Make a plan to get your flu shot, and learn more about your options by visiting: [www.uky.edu/coronavirus/do-your-part/flu-shots/employee-flu-shots](http://www.uky.edu/coronavirus/do-your-part/flu-shots/employee-flu-shots)
