

*The Covid-19 pandemic has had a tremendous impact on our campus and community. The people of UK Facilities Management remain the “boots on the ground” for UK, providing the essential services needed to keep our campus safe, secure, and positioned to respond to the evolving crisis. The strength each of you demonstrate daily is inspiring and represents such courage and compassion. We are in this together and we will get through it together. **Thank you for everything you do.** – Mary Vosevich, Vice President for Facilities Management*

PHOTO FRIDAY – Favorite United Way Photos from Years Past

The pandemic has changed how we support the United Way this year. Let's use our Friday Photo Collage this week to remember some of our favorite moments from past events. I know someone has a picture of at least one of our fearless leaders taking a pie to the face. Submit pictures to shane.tedder@uky.edu by midnight on Thursday, October 22.
