

*The Covid-19 pandemic has had a tremendous impact on our campus and community. The people of UK Facilities Management remain the “boots on the ground” for UK, providing the essential services needed to keep our campus safe, secure, and positioned to respond to the evolving crisis. The strength each of you demonstrate daily is inspiring and represents such courage and compassion. We are in this together and we will get through it together. **Thank you for everything you do.** – Mary Vosevich, Vice President for Facilities Management*

## OUR PEOPLE.

## OUR STORIES.

**Facilities Management’s Medical Center** teams initiated an emergency hot water outage at the College of Dentistry this week. The outage was in response to a leak in a basement hallway at a valve above a hard ceiling in a very tight area (left). The leak posed major issues for DLAR (Department of Lab Animal Research) which has their triannual inspection this week. After multiple attempts, the leak was successfully repaired on Tuesday night with minimal outage/down time and just in time for the critical site inspection. This challenging issue was coordinated and resolved by members of the Maintenance and Trades team including Annex Maintenance Supervisor, **Eddie Ellis** and the plumbers **Dan Huber, Paul Thomas, and Kenny The Plumber**. GREAT JOB TO EVERYONE INVOLVED!

Self-care, maintaining and improving our mental and physical health, should always be a priority but it is especially important in these trying times. UK Human Resources, through their **Work-Life Connections Program**, provides a wide array of resources available to all UK Employees. We encourage you to take time this week to do two things. First, learn about the warning signs that commonly indicate that stress and circumstances are negatively impacting your mental health. Second, familiarize yourself with the resources that UK provides to help you regain balance and focus. More info:

<b>Oct. 23</b>	8 a.m. – 4 p.m.; President’s Pavilion, Kroger Field Gate 9
<b>Sunday</b>	1 - 6 p.m.; President’s Pavilion, Kroger Field Gate 9
<b>Oct. 25</b>	

## PHOTO FRIDAY – Favorite United Way Photos from Years Past

The pandemic has changed how we support the United Way this year. Let’s use our Friday Photo Collage this week to remember some of our favorite moments from past events. I know someone has a picture of at least one of our fearless leaders taking a pie to the face. Submit pictures to [shane.tedder@uky.edu](mailto:shane.tedder@uky.edu) by midnight on Thursday, October 22.
