

*The Covid-19 pandemic has had a tremendous impact on our campus and community. The people of UK Facilities Management remain the “boots on the ground” for UK, providing the essential services needed to keep our campus safe, secure, and positioned to respond to the evolving crisis. The strength each of you demonstrate daily is inspiring and represents such courage and compassion. We are in this together and we will get through it together. **Thank you for everything you do.** – Mary Vosevich, Vice President for Facilities Management*

## OUR PEOPLE. ————— OUR STORIES.

Shout out to **UK Grounds** for squeezing in a clean-up of the Graduate Student Gardens late last week. Saturday was opening day for the gardeners and thanks to **Nathan Cornett** (left), **Ritchie Katko** (right), and **Rodney Moberly** (not pictured) the area was looking good. Nathan pressure washed the water storage tanks, Ritchie trimmed around the paths and structures, and Rodney mowed the area. The garden is open to students and their families living in the Greg Page and Shawneetown Apartments.

## OPEN ENROLLMENT FOR UK BENEFITS - APRIL 28-MAY 14

Open enrollment is your once-a-year opportunity to make certain benefits changes. It's the only time all employees can change health insurance, re-enroll in flexible spending accounts, and add more coverage from our benefits package. That's three decisions — only if you want to make them. Changes made during Open Enrollment will be in effect July 1, 2021 - June 30, 2022. To learn more visit <https://www.uky.edu/hr/event/benefits-open-enrollment>. Changes can be made online and paper forms are available if preferred. If you need assistance with accessing or printing the paper forms please notify your supervisor.
