

*The Covid-19 pandemic has had a tremendous impact on our campus and community. The people of UK Facilities Management remain the “boots on the ground” for UK, providing the essential services needed to keep our campus safe, secure, and positioned to respond to the evolving crisis. The strength each of you demonstrate daily is inspiring and represents such courage and compassion. We are in this together and we will get through it together. **Thank you for everything you do.** – Mary Vosevich, Vice President for Facilities Management*

OUR PEOPLE. ————— OUR STORIES.

GREAT JOB BOBBIE JOHNSON, GROUNDS!!!

Last week, UK Grounds Manager Stacy Borden received this note from a very happy customer at UK HealthCare:

I just wanted to take a moment to send a token of appreciation for Mr. Bobbie Johnson. I work in the Markey Cancer Service line in the Whitney Hendricks building. I first encountered Mr. Johnson earlier this year when we had all of the snow and ice issues. I had complained about the windows on my end of the building (1st floor, south end facing the Cancer Center-I have 2 windows in my corner). They were splashed with the salt from the snow blower gator for a couple of weeks. I had patients asking me ‘what is that on the window’, ‘do they ever clean the windows’? Finally, Mr. Johnson was the one that cleaned them! And with a wave and a smile! The next day he came by my window and motioned to the windows being clean and I gave him a thumbs up and a smile.

Since then, I have noticed him on the grounds of the Cancer Center. He speaks to people with a smile, always working with a purpose, and does an excellent job of keeping the place appealing. He always stops to wave at me if I am in at my station. I wish everyone could be as hard working and hospitable as Mr. Johnson!

I just want him and your department to know that truly what he does on the outside of my window, really matters to those on my side! ☺That’s why we are all here....

OPEN ENROLLMENT FOR UK BENEFITS - APRIL 28-MAY 14

Open enrollment is your once-a-year opportunity to make certain benefits changes. It’s the only time all employees can change health insurance, re-enroll in flexible spending accounts, and add more coverage from our benefits package. That’s three decisions — only if you want to make them. Changes made during Open Enrollment will be in effect July 1, 2021 - June 30, 2022. To learn more visit <https://www.uky.edu/hr/event/benefits-open-enrollment>. Changes can be made online and paper forms are available if preferred. If you need assistance with accessing or printing the paper forms please notify your supervisor.

Student salute continued!

On Friday we featured pictures of 15 of our student employees . We know there are students on our teams that were not included so we are going to keep our student salute going this week. Please send photos of any student employees, including fulltime employees who are taking classes, to Shane.Tedder@uky.edu ASAP !
