## Photo Friday - Summer Cruising!

This week's collage features the vehicles of a nostalgic summer tradition from a simpler time: cruising. Thanks for submitting your photos and stories. Eric Hess's FRP story is my personal favorite. Mary captioning hers with "I never cared for Ralph Nader" was a close second.

Carlos Cooper's 1965 Chevy Impala.

Mary Vosevich learned to drive in the 1967 Chevy Corvair

Kathryn Stewart: My very first car was a '67 Mustang! I was 16 and WOW did I ever love that car. I bought it for \$500.

Kim Browning's first car: a yellow 1970 Chevy Impala

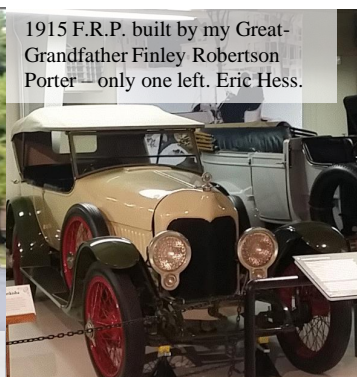

Paul Knowles competing in an autocross event in Garysburg, NC

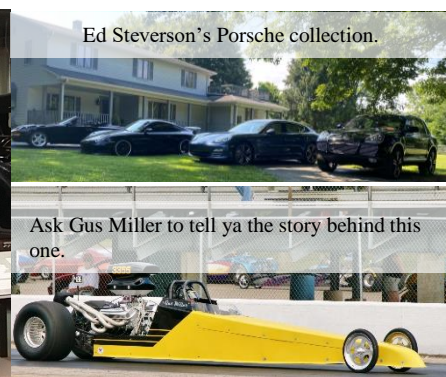

Harold Toomey's 1971 Buick Skylark. He and his son enjoy taking it to car shows.

John Cox's 1968 Buick Riviera GS, his weekend cruiser with his wife.

1915 F.R.P. built by my Great-Grandfather Finley Robertson Porter — only one left. Eric Hess.

Ed Steverson's Porsche collection.

Ask Gus Miller to tell ya the story behind this one.

Paul Ducharmes's preferred cruiser

Steven Hughes in UK's Gato Del Sol as a sophomore in college. That '08 Tesla behind him is their first Roadster model

Janet Schwartz's father's 1948 Willy's Jeepster. She and her 4 siblings called it Chitty Chitty Bang Bang.

**Have a great weekend and be safe!**
