

*The Covid-19 pandemic has had a tremendous impact on our campus and community. The people of UK Facilities Management remain the “boots on the ground” for UK, providing the essential services needed to keep our campus safe, secure, and positioned to respond to the evolving crisis. The strength each of you demonstrate daily is inspiring and represents such courage and compassion. We are in this together and we will get through it together. **Thank you for everything you do.** – Mary Vosevich, Vice President for Facilities Management*

## OUR PEOPLE. ————— OUR STORIES.

Fall 2020 Move-In began over the weekend. **THANKS TO EVERYONE IN FACILITIES** who volunteered this weekend and to everyone who has been working to prepare the campus for this moment. Shout out to **UK Recycling** for creating a series of resources to help students reduce the waste created by the big move.

**Planning, Design, and Construction** has been very busy this summer and has knocked out a near-record setting number of concrete and asphalt projects. The collage below highlights a few of the new paths, stairs, docks, and more that this team has made happen! **GREAT WORK PDC!**

**Derek Crouse** has been selected to serve as our new Medical Center Facilities Management Director Associate (acting), effective immediately. **Paul Ducharme**, MCFM Director, said, “*Please join me in congratulating Derek as he assumes this new role! As we continue to develop our new departmental alignment strategy, the Associate Director position will perform a critical leadership role in ensuring we achieve our objectives related to functional alignment of services we provide to the UKHC Enterprise.*” While serving in an Acting capacity, Derek will maintain his current responsibilities as Manager of Chandler Hospital complex and leadership & oversight of Facilities Maintenance, Repair, & Operations of all UKHC enterprise healthcare facilities. **CONGRATULATIONS DEREK!**
