

*The Covid-19 pandemic has had a tremendous impact on our campus and community. The people of UK Facilities Management remain the “boots on the ground” for UK, providing the essential services needed to keep our campus safe, secure, and positioned to respond to the evolving crisis. The strength each of you demonstrate daily is inspiring and represents such courage and compassion. We are in this together and we will get through it together. **Thank you for everything you do.** – Mary Vosevich, Vice President for Facilities Management*

HOW DO YOU FEEL?

We're here for you

Burned out? Stressed or overwhelmed? Lonely or disconnected? Not even sure where to begin? UK Human Resources has launched a website with great resources for dealing with the health and well being challenges we are all facing due to the pandemic. There's no way to make everything as it was before. That's why they have gathered these resources to offer you practical support and a calming place to land. And if you don't even know where to start, they have support for that, too. <https://www.uky.edu/hr/here-for-you>
