

*The Covid-19 pandemic has had a tremendous impact on our campus and community. The people of UK Facilities Management remain the “boots on the ground” for UK, providing the essential services needed to keep our campus safe, secure, and positioned to respond to the evolving crisis. The strength each of you demonstrate daily is inspiring and represents such courage and compassion. We are in this together and we will get through it together. **Thank you for everything you do.** – Mary Vosevich, Vice President for Facilities Management*

OUR PEOPLE. ————— OUR STORIES.

Every student, staff member, faculty member, and visitor experiences campus spaces from their own unique perspectives...

We'd like to know... what's your experience?

*As an important component of our ongoing Diversity, Equity, and Inclusion work, the University is conducting a survey on Facilities, Spaces and the potential of a Multicultural Center on campus. The online survey, linked below, is open through Friday, April 30. A **hardcopy of the survey will be available next week with an extended deadline for submitting.***

Scan the QR code at left, or visit this link <http://comap.sasaki.com/uky-dei/> to participate in an **interactive mapping tool** of the main campus. Tell us about **where you spend time today** and what **multicultural spaces you'd like to see in the future!** Online survey is live through Friday, April 30. If you have any questions, please send to dei@uky.edu.
