

*The Covid-19 pandemic has had a tremendous impact on our campus and community. The people of UK Facilities Management remain the “boots on the ground” for UK, providing the essential services needed to keep our campus safe, secure, and positioned to respond to the evolving crisis. The strength each of you demonstrate daily is inspiring and represents such courage and compassion. We are in this together and we will get through it together. **Thank you for everything you do.** – Mary Vosevich, Vice President for Facilities Management*

OUR PEOPLE.

OUR STORIES.

Wayback Wednesday – Garden Plots for Faculty and Staff?

This is a story I have been wanting to write for some time, but I have been having trouble finding details so I am asking for your help. I heard that at some point there were garden plots somewhere southeast of the stadium (left) that faculty and staff could reserve to grow vegetables. If you know any details, or better yet, have any pictures, please send to shane.tedder@uky.edu. We will keep the theme of local food rolling with two other stories today. Don't miss an incredible (FREE) KY Proud lunch today or the chance to receive a voucher to help pay for a Community Supported Agriculture Share.

Celebrating the
Grit & Resilience
 of our **UK**
Community in
 the face of
 COVID-19.

THANK
 — U —
 KENTUCKY!

WHAT IS COMMUNITY SUPPORTED AGRICULTURE?

CSA farmers offer a limited number of their produce shares for anyone in their local area to purchase in advance. When you purchase a share from a farm, you become a CSA member of that farm. A CSA membership through UK includes a box of local and organic vegetables (and occasionally fruits and other farm products) delivered weekly to a convenient pickup location. UK HR Health and Wellness offers \$100 or \$200 vouchers toward the cost of a share. **Deadline to participate: May 7th at 5pm. More info:**

University of Kentucky DEI Campus and Multicultural Space Survey

Every student, staff member, faculty member, and beyond, experiences campus spaces from their own unique perspective.

We'd like to know... what's your experience?

Scan the QR code below to participate in an interactive mapping tool of the main campus. Tell us about where you spend time today and what multicultural spaces you'd like to see in the future!

Scan here to take the interactive survey today!

Live until Friday,
 April 30th, 2021
