

*The Covid-19 pandemic has had a tremendous impact on our campus and community. The people of UK Facilities Management remain the “boots on the ground” for UK, providing the essential services needed to keep our campus safe, secure, and positioned to respond to the evolving crisis. The strength each of you demonstrate daily is inspiring and represents such courage and compassion. We are in this together and we will get through it together. **Thank you for everything you do.** – Mary Vosevich, Vice President for Facilities Management*

OUR PEOPLE. ————— OUR STORIES.

OPEN ENROLLMENT FOR UK BENEFITS - APRIL 28-MAY 14 BENEFITS OPEN HOUSE FOR FM EMPLOYEES

Wednesday, May 12
Peterson Service Building
7:30 a.m. to 9:30 a.m.

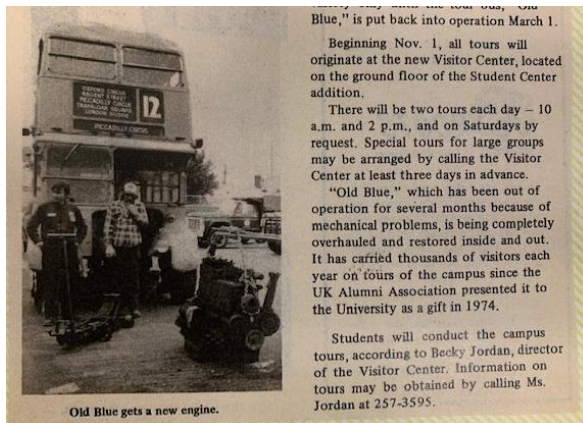

Thursday, May 13
Kelley Building
7:30 a.m. to 9:30 a.m.

Open enrollment is your once-a-year opportunity to make certain benefits changes. It's the only time all employees can change health insurance, re-enroll in flexible spending accounts, and add more coverage from our benefits package.

WAYBACK WEDNESDAY – OLD BLUE

Old Blue was a 1950's double decker bus purchased directly from London by the UK Alumni Association in the early 70's for \$9000. Starting in 1974 and running for at least 10 years, the University used the bus to offer two daily tours of the campus. The Physical Plant was very involved with Old Blue providing drivers like J.R. Johnson (right) and maintenance (center). Thanks to **Tree** for suggesting the story and to **Eva Fornash** for providing the newspaper clippings. Email shane.tedder@uky.edu if you would like a PDF of these newspaper stories.

Yesterday's Newsletter featured a story about the great work done last week to address a major leak in the ASTeCC building. We were missing a few names and wanted to run this shout out to give proper recognition to everyone in the picture. From left to right, **Steve Ryan, Tate VanHoose** (on the ladder), **Dan Shank, David Caskey, and Desire Lumona**. Thanks to Krishna Hobbs and Jeremy Gabbard for the help with this follow up.
