

*The Covid-19 pandemic has had a tremendous impact on our campus and community. The people of UK Facilities Management remain the “boots on the ground” for UK, providing the essential services needed to keep our campus safe, secure, and positioned to respond to the evolving crisis. The strength each of you demonstrate daily is inspiring and represents such courage and compassion. We are in this together and we will get through it together. **Thank you for everything you do.** – Mary Vosevich, Vice President for Facilities Management*

OUR PEOPLE.

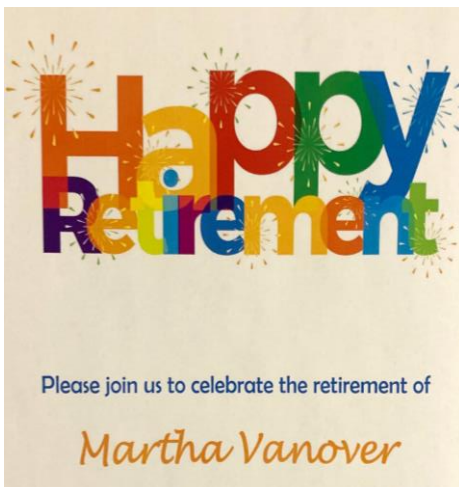

OUR STORIES.

Hardcopies of the Diversity Equity and Inclusion Campus Plan and Multicultural Space Survey will be available next week. We know that every student, staff, and faculty member experiences our campus from their own unique perspective and we want to know about your experience. The results of the

Survey will help shape the DEI Facilities and Spaces Plan as part of UK's commitment to a campus that is welcoming for all. The hard copy is a two-sided fold out with questions on one side and map that can be marked up to reflect your experience on the other. Please plan to take a few minutes next week to complete the Survey.

Martha Vanover began her career with Facilities Management more than 30 years ago in March of 1990. She was encouraged to apply by faculty and staff that she worked with as a personal house cleaner. Her first assignment was in custodial services where she filled several roles over the first 15 years of her career. Her next post was with the PPD Garage and then she worked with PPD's Brenda Davenport for almost a decade. After a short stint with Plumbing, Martha joined the FM Business Office where she has worked for the past few years. She is looking forward to traveling and spending time with her family including six grandchildren and three great grandchildren! Her favorite memories are of all the wonderful people she has worked with over the years. **Martha's last day is tomorrow, and we encourage you to stop by room 206 of Peterson Service Building between 9a-2p to wish her farewell!**

Student Salute – continued

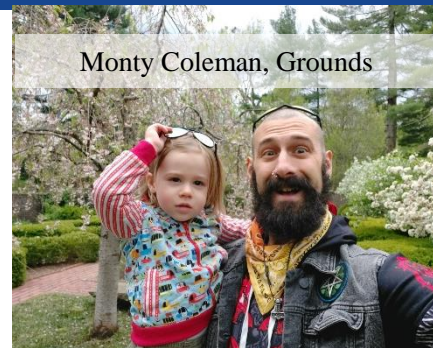

Last Friday, we featured pictures of many of our student workers and full-timers who are wrapping a semester of classes. We received several more submissions this week. Congrats to these folks and to anyone not pictured that is finishing finals week tomorrow!
