

PHOTO FRIDAY: CONGRATULATIONS

Spring Commencement is a special time on this campus. With today's Photo Friday we celebrate two of our own who recently completed advanced degrees. Britney and Steven join a long line of distinguished UK Grads!

2021

Britney Ragland, Utilities Engineering Manager – UEM, earned her M.S. in Biosystems and Agricultural Engineering this spring

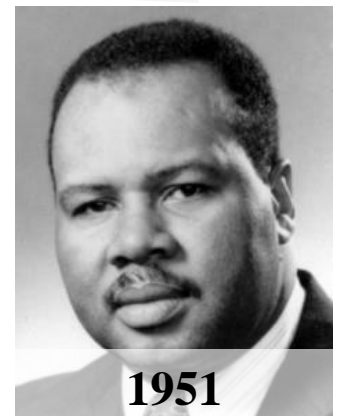

2020

Steven Hughes, Acting High Voltage Manager – UEM, earned his M.B.A. in December of 2020

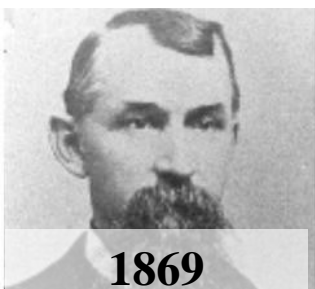

2019

Hadeel Adballah graduates as UK's first female Rhodes Scholar.

1951

Hollways Fields Jr. was the first African-American to receive an undergraduate degree at UK.

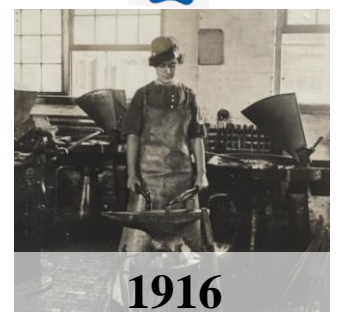

1869

William B. Munson became the University of Kentucky's first graduate.

1888

Belle C. Gunn became the UK's first female graduate

1916

Margaret Ingels was the first woman to earn an engineering degree from UK
