

*The Covid-19 pandemic has had a tremendous impact on our campus and community. The people of UK Facilities Management remain the “boots on the ground” for UK, providing the essential services needed to keep our campus safe, secure, and positioned to respond to the evolving crisis. The strength each of you demonstrate daily is inspiring and represents such courage and compassion. We are in this together and we will get through it together. **Thank you for everything you do.** – Mary Vosevich, Vice President for Facilities Management*

## OUR PEOPLE. ————— OUR STORIES.

### HOW WE GET IT DONE – A Series about how Facilities Management works

How do we get it done? The simple answer is OUR PEOPLE. This series will take a closer look at the units and offices that coordinate and execute the maintenance, operations, repairs, planning, design, and construction that FM performs 24-7-365 for UK. Our second feature in this series highlights the main campus **Custodial Services Overnight Floor Crew**.

The five team members on the Overnight Floor Crew are responsible for all academics campus buildings. They do all of the striping, waxing, and cleaning of carpets, tile and various other floor surfaces. The crew also responds to emergency floods, snow removal and related tasks such as mat cleaning. Our main campus has millions of gross square feet of interior spaces so this is A HUGE JOB! The results of their work are visible to every student, employee, patient and visitor to our campus, but folks rarely get to see these guys in action because they start their work at 9:30pm and wraps up at 6:00am. This crew includes technicians **Jarvis Edwards** (above left), **Kenny Beck** (above right, left), **Alex Ball** (above right, right) and **Jeromy Westerfield** (below center). The team is led by **Dwight Overstreet** (above center). Dwight has been working nights for the past 37 years and has been in a supervisor role for the past 11 years. Reflecting on his work, Dwight said,

***“I feel very blessed to have a good group of team members that really go hard and make things happen.”***

**GREAT WORK Dwight, Kenny, Jeromy, Alex and Jarvis Thanks for putting a shine on it while the rest of us sleep!**
